DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Leander F. Aulisio on March 22, 2005.

The application has been amended as follows:

This amendment was made to further clarify the applicant's invention over any prior art by positively reciting "a screen printing machine is part of the invention".

In claim 1, in between existing lines 2 and 3, enter - - (A) a screen printing machine having a carousel with a platen for holding a fabric to be printed; (B) a spray guard device comprising:- -.

Allowable Subject Matter

Claims 1 – 18 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to claim 1, the prior art does not teach or render obvious the total combination as claimed including a device for the prevention of overspray during application of a sprayable liquid to a platen of a screen printing machine comprising, a

screen printing machine having a carousel with a platen for holding a fabric to be printed and a spray guard device comprising a frame, a housing and a connecting means.

With respect to claim 8, the prior art does not teach or render obvious the total combination as claimed including a process for the prevention of over spray during application of a sprayable liquid to a platen of a screen printing machine comprising placing a device into holding clamps for a printing screen, the device comprising a housing which comprises a frame which is constructed of dimensions to fit into said holding clamps, a housing comprising a top, four sides and a bottom, wherein one of the sides contains a first aperture for receiving a liquid spraying apparatus, and wherein the bottom contains a second aperture for receiving the platen, the platen snugly fitting into the bottom, and a connecting means for joining the frame to the housing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
